

Baptism @ Emmanuel

At Emmanuel Baptist Church, we practice 'believer's baptism', which means that persons are baptized after they have made a personal commitment to Jesus Christ. Baptism classes are scheduled every couple of months and provide information on what baptism is all about. Once a person has decided to be baptized, he or she may contact a pastor and arrange a date and time for their baptism.

Baptism classes are held on Sunday afternoons, 4:00pm, in Room 119 (next to the Coffee Bar).

Upcoming Baptism Classes Dates: September 22, November 10, February 2, March 29.

Membership @ Emmanuel

Anyone, regardless of age, can become a member of Emmanuel Baptist Church. The only pre-requisite to becoming a member is that you have been baptized as a follower of Jesus Christ. Membership Classes are held every couple of months. This class will help you think through the importance and meaning of church membership. It will introduce you to Emmanuel's history, vision, statement of faith, structure and mission statement. At the end of the Membership Class, you will be invited to sign a membership covenant which outlines your commitment to the church. Once the covenant is signed and submitted to the church office, you are a member!

Membership classes are held on Sunday afternoons, 3:30pm, in Room 119 (next to the Coffee Bar).

Upcoming Membership Classes Dates: September 15, November 3, January 19, March 22.
