

# theconnection

is a community of people working out what it means  
to understand and live out the values of Jesus Christ

## Ordinary Time

## November 1, 2020

Emmanuel Baptist exists to fully love God and all people for God's Kingdom, pleasure and glory.

*the connection* is a community of the Emmanuel family. We seek to know and follow Jesus. We believe that as we follow him, Jesus changes us and transforms us into the people God created us to be. As a community, there are certain Jesus-centered principles that frame our journey together. Principles aren't rules, they're guideposts we want to keep in view wherever we are and whatever we do as *the connection*.

## WHAT WE'RE ABOUT

**Shalom** | God's relationship with creation began with "God saw all that he had made and it was very good" (Genesis 1:31). The scriptures tell us that a day is coming when God will unfold a new heaven and a new earth (Revelation 21). This state of perfect wholeness is the centre of the Jewish idea of "Shalom". But what about the in-between time? Jesus' life and teaching reveals God's plan to unfold shalom here and now: "May your kingdom come, may your will be done on earth as it is in heaven" (Matthew 6). We believe that followers of Jesus are invited to participate in the in-breaking of God's shalom here, now, on earth as it is in heaven. As a community, *the connection* seeks the shalom of God in the following broad expressions:

### Shalom with God

Are we moving in right relationship with our Creator?

### Shalom with Creation

How does our living reflect that "earth is God's and everything in it? Do we live aware that Creation is a gift to treasure and care for?

### Shalom with Ourselves

God created humankind in God's own image. Are we living in such a sway as to care for ourselves as people uniquely and wonderfully made by our Creator?

### Shalom with Others

We have been called to live as pictures of Jesus in the world where we live. Therefore we strive for relationships marked out by generous love, grace, compassion, mercy, forgiveness, encouragement and support. Believing that Jesus demonstrated how this is done, we seek to extend this generosity to all people whoever we meet them - next door, downtown, around the world.

One of the metaphors we use to describe our life in Community is the breathing rhythm. For a body to live it needs to inhale and exhale. This is true of us as *the connection*:

**Inhale - Gathering as a Community** | We value being together as often as possible. One of the ways Jesus shapes his people is by speaking through community. One of the ancient traditions described in the Bible is the journeying people of God worshipping God together. So when we gather we anticipate growing toward Jesus together. "Inhale" is described in our context as any whole-community gathering - Sunday evenings, Connection Feasts, etc.

**Exhale - Living as a Dispersed Community** | We believe that Jesus taught and demonstrated that all of life is to reflect God's kingdom values. In other words, following Jesus is more than once-a-week Sunday get-togethers. "Exhale" in this context describes how we live as a dispersed community between Sundays. A new and growing initiative to help us 'exhale' is Connection House.

For more information about *the connection*, our core values, Connection House, or questions about what it means to follow Jesus in the world today, contact Rob Priestly (hey priest@ebap.ca).
