

Hey everyone! We are excited at The Quest for this upcoming summer, and for the opportunity to minister to all those who come. This is an update for all those who love and support The Quest, with our staff and prayer needs.

Theme Verses

Romans 15:4 for Kids camps

"... that through endurance and through the encouragement of the Scriptures we might have hope."

Romans 5:3 for Teens camps

"Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, endurance produces character, character produces hope, and hope does not put us to shame."

Our focus this summer is on the endurance and encouragement we find in Scripture that leads to hope in Christ. Hope is a powerful thing, and over the past couple of years, all of our endurance has been tested through the ever changing world in which we live. We hope that this summer we can focus our eyes on Jesus, the author and perfecter of our faith, as we learn to live by Hope. Hope that God is at work in us, and in each camper that arrives at the Quest this summer.

Prayer Needs

We need your support, and your prayers. Please pray for the ministry at the camp this summer. Please Pray...

- *That all those who come would encounter Jesus, and come to know him as their Lord and Savior.*
- *For the staff that as they work tirelessly, they would be strengthened, and feel rested and renewed.*
- *For wisdom for all those who work at the Quest that they would be able to have great*

Staff Needs

Most of the current staff are committed to the full summer. Not everyone who chooses to help with staff can commit to the entire summer. Many hands make light work. If you, or someone you know is able to come and work for either the whole summer, or to volunteer for a week, we'd love to have you at the Quest!
